"Education is the food of youth, the delight of old age, the ornament of prosperity, the refuge and comfort of adversity and the provocation to grace in the soul." St. Augustine

In June 2019 we re-launched the Malawi-Twin Sponsorship Programme to help Malawian students to access high school education. Malawi is one of the poorest countries in the world and families struggle to send their children to Secondary school.

The overwhelming response to our appeal allowed us to assist **22** new students starting Secondary School in September 2020. **14** of these students are girls that can study as boarders, keeping them safe from extra dangers, such as sexual harassment on their way to school or premature marriages.

We are so grateful to all the sponsors that made this possible!

It is now time to start preparing the new academic year due to start in September 2021 and we would love to be able to help more students.

Would you consider sponsoring a student in Malawi?

There are different ways you can help us sponsor a student:

Individual Sponsorship

£75 a year for a daily commuter student or **£200** a year for a girl studying as a boarder.

The sponsorship of a student is for a period of **four years**, but sometimes they might need another year to get their MSCE (like our GCSE).

Scholarship Fund

If you cannot commit to an individual sponsorship, you can still help with a monthly contribution (we suggest £10), by standing order, to the Corpus Christi bank account.

The Fund is administrated by the Sponsorship Programme team and used exclusively to jointly sponsor girls in boarding school.

Other donations

Any other donations are gratefully received and will be added to our Fund.

The sponsors will have access to a photograph and all the information regarding the student they are supporting, as well as reports of their school progress whenever possible.

Cheques need to be **payable to Corpus Christi Church** and either posted to me or left in church in an envelope clearly addressed to the Sponsorship Programme.
